QUOTES

- “If you don’t like change, you’re going to like irrelevance even less.” General Eric K. Shinseki
- “Fragility is the quality of things that are vulnerable to volatility” - Nassim Nicholas Taleb
- “Uncertainty is the refuge of hope”- Henri Frederic Amiel
- “Take advantage of the ambiguity in the world. Look at something and think what else it might be” - Roger von Oech
- The reality of things consists in their persistent forcing themselves upon our recognition. If a thing has no such persistence, it is a mere dream. Reality, then, is persistence, is regularity. (C. S. Peirce)
