- “If you focus on people’s weaknesses, they lose confidence.” At a very basic level, it is hard for us to build self-confidence when we are focused on our weaknesses instead of our strengths.” - Tom Rath
- “Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid.” Albert Einstein
- “An effective leader will have the capacity to use his or her Self as the vehicle – the blank canvas – for sensing, tuning in to, and bringing into presence that which wants to emerge. - Arthur et al. 2002.
- “What great leaders have in common is that each truly knows his or her strengths - and can call on the right strength at the right time.” - Tom Rath
